LRC distributed
2885 cards
for kids worth
144 250 Eur

HUMANITARIAN AID AND CARE

Since the beginning of an armed conflict the LRC has been providing an assistance to Ukrainian refugees. They can ask for relief aid in its Branches across the country.

Volunteers and employees prepare food parcels, hygiene kits and care products for children. In some cities there are humanitarian aid points for migrants which are similar to self-service stores. Everyone in need can come and select necessary items.

Project "VIENYBĖ TEŽYDI"

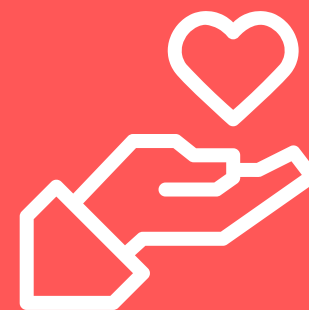

LRC together with the local advertising agency started project "Vienybe tezydi" (eng. "Unity Blossom"). The charity initiative invites the Lithuanian society to support disabled people and their families from Ukraine currently living in Lithuania. We collect monthly donations, which means the donation will be deducted and transferred to the family each month.
